## Objective

Looking for an esteemed position to use my strong passion for children's development in studies and together with skills as well as experience that will enable me to make a significant difference in your esteemed school.

## SKILLS

My positive attitude is definitely one of my strengths. I have been a restaurant server, a tutor, and a health aide in the past decade, all jobs that require plenty of energy and endurance. I can view a situation from multiple perspectives and empathize with my customers, students, and patients to understand their needs at any given time.

I am a solutions-oriented person and a quick learner. In my role as an electrical engineer, I learned to perform well under pressure when designing equipment because our team would not be able to win a contract unless we produced the blueprints quickly, with as few resources as possible.

Moreover, some of my more teaching skills are included below : -

Classroom management

Curriculum planning

Lesson planning

Creating educational content

Online teaching

Providing feedback

Effective communication

Word, PowerPoint

---

## EXPERIENCE

Worked in NGO for gaining experience socializing with children and making them learn different things by development of their skills.
