## **EDUCATIONAL PHILOSOPHY**

I strongly believe that each child is learner and have the right to live with dignity and respect. As a special educator I believe that no matter what the challenges are, every child can learn if given the right tools with appropriate guidance and instructions. As a part of IDEA guidelines, I strongly lay emphasis on least restrictive environment (LSR) of learning. I ensure to help my students find purpose and goals that they can achieve by creating a harmonious community.
