My objective

Is to encourage creativity and higher-order thinking in a way that increases participants' performance. It is to obtain a teaching position that utilizes advance teaching methods, including team learning and e-learning. As a music teacher with 25 years of varied experience, there's much I can offer to the music education of our young children. I have more than 18 years of experience in mentoring and music coaching teaching staff in various institutions including Apeejay School, Panchsheel Park, New Delhi, Bloom Public School, Vasant Kunj, New Delhi, and Guitar Studio, (music school). I'm confident that my passion for the teachers' and children's development, together with my skills and experience will enable me to make a significant difference at your esteemed institution."
