- Participated in Mental Health Camp, at NIRVAN Hospital, Lucknow, organized by NIRVAN Hospital, Lucknow, and Amity Institute of Behavioural and Allied Sciences, Amity University, Lucknow, 24th January 2019.
- Trained in various institutions—PYSSUM, NIRVAN, ASMITA, NUR MANZIL, and DOSTI, for two months each—as part of the Professional Diploma in Clinical Psychology Course from Amity Institute of Behavioural and Allied Sciences, Amity University, Lucknow.
- Completed Master's Dissertation on Children in Conflict with Law: A Study of Their Mental Health and Self-Other Relatedness, under the supervision of Prof Pallavi Bhatnagar, then Head of the Department of Psychology, University of Lucknow, Lucknow.

Description: Juvenile delinquents are at war with themselves and their world. The paucity of empirical research in the area and paradoxically a steep rise in adolescent violence (either against self as seen in suicidal and unsafe rash behavior or against others as seen in loot, arson, murder, rape, etc) is an issue of grave concern and needs the address of social scientists, particularly psychologists. The above dissertation was a small step in that direction.
