## **Summary**

Kalpesh has plied his trade at football semi-professionally in the USA and in Africa. He has extensive traveling experiences from various parts of the globe. He also has acquired certification in Yoga exercise which includes core strength and flexibility with Physical Education. Kalpesh also holds numerous certificates in First Aid and Soccer from the USA. Africa and India. He has successfully completed the required course of study approved by CDC (Certificate for Disease Control and Prevention) for concussions in sports. He is passionate about the beautiful game of football and credits his dedication to the sport as his fulcrum for growth in all forms of sports to his footballing days as an amateur abroad. Sadly, an injury to his right eye concluded his playing career and thus began his coaching career. He is also interested in the process of nurturing athletes to be the best they can be in their respective disciplines. He has 10 years of experience in the prestigious IB curriculum at international schools and is a unique physical education instructor with a high pedigree in all forms of lesson plans and sports which include Football, Basketball, Volleyball, Cricket, Frisbee, Athletics, Badminton, Handball, FUTSAL, Baseball, Swimming, etc, etc..!

Kalpesh also has a vast amount of experience in coaching basic intro level development and coordination drills to grassroots level athletes in the mentioned sports.. He also has established a 10 year old football club registered in Gujarat which has expanded at a grassroots level in Karnataka and Haryana as well. It is called Academy Football Club under the auspices of Academy Sports Club.

## **Highlights of career so far...!**
