I AM AS A TEACHER: -

To be a teacher, I always keep realizing my most important responsibility to take care of educational standard of students falling under the vision and mission of concern institution. As a teacher, I always keep my heart open to feel that student and teachers as my family members and school as my temple. As a part of school family, I keep on thinking for refinement of qualities of my organization. As teacher, I present myself as model for the student in term of discipline, punctuality and knowledge. Being a teacher, I am beyond the narrow boundaries of cast, religion and communal discrimination in my professional as well as personal life. Finally, I believe that each and every student is the wealth of our nation and capable to learn according to their differential abilities.
