Education

M.Ed. Special Education (Learning Disability)
Amity University, Noida   2021-2023
- Thesis: Effect of Virtual Manipulatives for Improving Geometry Skills among children with Specific Learning Disability.

Integrated B.Sc. – B. Ed Special Education
Amity University, Noida   2016-2020
- Specializations: Cross Disabilities - Inclusive Education and Developmental Disabilities
- Relevant Coursework: Physics, Chemistry, Mathematics, IEP and Lesson Planning for Specific Learning Disabilities, Autism Spectrum Disorder, and Intellectual Disabilities, Visual and Hearing Impairment, Multiple Disabilities, Braille, Inclusive Education, Pedagogy of Science and English.

Senior Secondary
Green View Public School (CBSE)   2016
- Subjects: Physics, Chemistry, Mathematics, English, Informatics Practices

Secondary
Green View Public School (CBSE)   2014
- Subjects: Science, Mathematics, English, Hindi, Social Science

Additional Qualifications

Central Teacher Eligibility Test   Dec 2019
- Paper 1 – Primary Level and Paper 2 – Elementary Level (Mathematics & Science)

50 Hour Certificate Course in Indian Sign Language
- Noida Deaf Society   June 2018

Registered Under Central Rehabilitation Register (CRR)
- CRR No – A69883

Professional Experience

Govt. Senior Secondary School, Saket   Directorate of Education, GNCT of Delhi
TGT Special Education Teacher   Feb 2021 – Oct 2021
- Developed lesson plans and Delivered instruction in alignment with IEPs for students ranging from 6th grade to 10th grade.
- Track, monitor, and evaluation of student performance and tailor lesson plans to individual strengths and weaknesses to improve academic performance.
- Assessed students' needs and skills to develop effective teaching plan according to each student's abilities.
- Follow ups of therapeutic interventions.
- Worked with general education teachers and other stakeholders as a Multidisciplinary team to ensure compliance with IEP.

Skills

Individualized Education Plan (IEPs), Lesson Planning, ICT Integrated Lessons, Behaviour Management, Classroom Management, Microsoft Office Suite, Student/Parent Counselling,

Internships

Kothari International School, Noida   Jan – Feb 2023
Trainee Special Educator
- Developed an IEP for Gifted Student with Specific Learning Disability.
- Conducted group Mathematics intervention sessions paired with Virtual manipulatives to teach concepts of geometry to Specific Learning Disability studying in class 6.

Amity International School, Saket
Trainee Special Educator   Dec 2019- Feb 2021
- Development and Delivery of curricular and co-curricular lesson plans.
- Organized sensitization program on Learning Disability for parents and other educators.
